Next Meeting - February 25, 2004

Chair's Message

Henry Roxas CPL
OC SOLE Chair

The first OC SOLE meeting for 2004 will be held off-site on February 25th at 7 pm, at CoCo's Restaurant in Manhattan Beach. Our guest speaker is our own Jimmy Turner, OC Chapter Vice Chair – Finance. He will be discussing System Safety & MIL-STD-882D. The discussion will include recent changes to the Standard, the path forward, and the new Safety Act portion of the Department of Homeland Security and its implications. Be sure to mark your calendar! We hope you will join us.

The board is working hard for the Chapter to achieve the goals of expanding our knowledge of modern logistics, making the Chapter more accessible, and enhancing communication. I'd like to encourage more of you to become involved with the Chapter through committee participation, volunteering to speak at a future meeting, and attending meetings from your locations. Most important, I'd like to remind everyone to keep your membership up to date.

To make the OC SOLE accessible, we will conduct monthly meetings both on-site and off-site. On-site noontime meetings will be held at a Raytheon facility, and off-site evening meetings will be held in Manhattan Beach or Anaheim. Our on-site meetings will avail those who will not be able to attend the off-site evening meetings. The on-site meetings will be linked by telephone using a dial-in number and Netmeeting™. Instructions on how to get linked to the meeting will be provided prior to the meetings. If you need further assistance, please contact any of the officers.

Membership -----	3	Security, Mr. Jimmy Turner -----	5
Continuing Study -----	3	Meeting Notice -----	6

Chair's Message (Continued)

In the past on-site meetings, we had issues in getting some participants linked via Netmeeting™. To ensure that all participants have the charts during the meeting, we will provide the charts in advance as much as possible. We will also be looking into the feasibility of using SameTime™ as a means to link the participants.

It is that time of the year again to encourage CPL aspirants to get ready and announce their intent to get certified. The next CPL examination will be held on May of this year. The Chapter will sponsor a training class to assist and prepare candidates for the coming exam. Sania Smith and Jimmy Turner have graciously volunteered to make the training happen. To Sania and Jimmy, in behalf of all the members, we thank you. If you are interested in becoming a CPL, please contact any of the officers.

The 2004 RAMS 50th Symposium winds to an end. The consensus seems to be that the symposium was a great success. Attendance was almost 700 and the paper and tutorial sessions received good reviews. We would like to invite any of the attendees to be our guest speaker. Be heard and share your experiences.

Once again, special thanks to all the officers and members who continuously worked in fulfilling the Chapter's objectives in my absence.

Henry Roxas, CPL
OC SOLE Chair

Troop Remembrance

*Welcome home our heroic troops!
Godspeed their complete return.*

Please continue to remember our troops not yet home, faithful to George Washington's homily "compassionate in victory"; for saving victims, O God, for Saving Victims as we remember where they are, and why; remember quiet answers, our answerers with hearts as large as love, and those too soon to leave.

Chapter News

Membership

If you have let your membership lapse, please take a moment to review benefits of continuing your membership, **SOLE** is *THE* professional organization for Logisticians and Logistics professionals. As a member, you are part of an elite group that is dedicated to the growth and future of our field. Being a member demonstrates your commitment to the field of Logistics to your peers, your managers, and customers. Membership by itself and most certainly when coupled with a Certified Professional Logistician certification can enhance your resume and give you and your company the edge in winning new proposals. It can give you the edge in being selected for new opportunities and enhance your professional growth. So keep your membership current and, better yet, become involved in the Chapter through easy to attend noontime meetings, submitting articles to the SOLE publications, or if you are able, you can attend SOLE conferences at reduced prices. Members also receive the SOLE Spectrum to their mailbox in an easy to read format.

For more information, contact your friendly membership committee chairman,

Floyd Horton, CPL at (310) 952-4576 or e-mail at fmhorton@raytheon.com

Continuing Study
