OC SOLE Chair

There will be no meeting scheduled for December 2003 due to the coming holidays. However, we will have a very interesting presentation (off-site) on January 2004. The schedule and location will be announced at a later date. Also, in January 26 to 29, 2004, the 50th RAMS Annual International Symposium in Product Quality and Integrity will be held in Los Angeles Airport Marriott. Do not forget to send your notification to attend the symposium by December 9, 2003. More information can be found at URL: <http://www.rams.org>.

If you have recommendations for presentation topics or specific speakers for future meetings, please submit them to one of the chapter officers. Contact information is listed on the first page of this newsletter.

Troop Remembrance

*Welcome home our heroic troops!
Gospeed their complete return.*

Please continue to remember our troops not yet home, faithful to George Washington's homily "compassionate in victory"; for saving victims, O God, for Saving Victims as we remember where they are, and why; remember quiet answers, our answerers with hearts as large as love.
